foreign patent office in a counterpart foreign application not more than three months prior to the filing of the present Information Disclosure Statement. Said Communication bears a mailing date of February 22, 2001.

STATEMENT UNDER 37 CFR 1.704(d)

Each item of information contained in this Information Disclosure Statement was cited in said communication from a foreign patent office in a counterpart application, and this communication was not received by any individual designated in §1.56(c) more than thirty days prior to the filing of the present Information Disclosure Statement.

As seen from the listing of family members in the European Search Report, WO 97/36427 and EP 0,773,469 both have U.S. patent counterparts. However, since both of these documents are in the English language, it is not necessary to provide copies of said U.S. patent counterparts.

It is respectfully requested that the Examiner consider the publications submitted herewith and make them of record.

Respectfully submitted,

Leonard Holtz, Esq.
